

Public Engagement for Proposed Choice in Education Act

Overview

The Government of Alberta is exploring the development of legislation in relation to its commitment to bring forward a proposed *Choice in Education Act*. This proposed Act will further refine the governing Education legislation to affirm parents' rights as primary decision-makers in their child's education and support the range of choice within the current education system. Your feedback will be used to guide the development of this proposed Act.

I choose Public education over Privatization

What, if anything, do you see as currently working well or needing improvement in terms of choice in Alberta's education system? (i.e. type, access, level, quality, etc.)

Working well:

Of all my choices, I choose to support Public Education

Needs improvement:

Stop using public dollars to subsidize private schools

What would you like to see in the future in terms of choice in Alberta's education system?

Definitions of School and Program Types

Public

- Provide programming to any eligible student living in the designated area
- Teach the Alberta curriculum, and may offer optional programming to meet local demand (e.g. languages, sports, arts)
- Must accept all resident students and all others if there is space and/or program availability

Separate

- Primarily Catholic; constitutional right to minority religious education under the Canadian Charter of Rights and Freedoms
- Operate under the same programming and accountability requirements as public schools, but offer a fully faith-based permeated curriculum and school environment

Francophone

- Can be public or separate
- Offer first-language French education (distinct from French immersion) based on Charter rights

Charter

- Autonomous non-profit organizations that provide education based on charter with the Minister
- Intended to provide education with a particular focus or teaching approach, or to meet the needs of a particular group generally not offered in the public system (e.g. STEM, English Language Learning, academically gifted programming, arts-focused programming, etc.)

Private

- Include registered, accredited and accredited-funded
- Accredited-funded programs are required to offer provincial programs of study, diploma exams, etc.
- Are permitted to charge tuition fees to parents

Home education

- Educational programming provided by parents
- Must be supervised by a school board (public or separate) or accredited private school operator

Alternative programs

- Education program operated by either a public or separate school board.
- Programs emphasize a particular language, culture, religion, subject matter or teaching philosophy.
- Not permitted to charge tuition, but may include non-instructional costs (i.e. field trips for sports teams)

Shared Responsibility Programs

- A parent and school authority may agree to share responsibility for student's education
- Combines parent-directed and teacher-directed education through flexible programming
- Teacher-directed instruction is delivered by Alberta certified teacher and follows Alberta programs of study
- May be provided through online means

First Nation Band Operated School

- Most First Nations students living on-reserve have the choice to attend either Provincial School Authorities or First Nation Band Operated schools
- Funded by the federal government and are operated autonomously by their respective First Nation or First Nation School Authority. Band Operated Schools can follow Alberta Education curriculum in order to grant Alberta Education credentials
- Alberta Education respects the jurisdiction of First Nations schools.
- Through Education Services Agreements (between school boards and First Nations) on-reserve students can attend provincial schools in accordance with the terms of the negotiated agreement. Off reserve students can attend a band operated school at the discretion of the First Nation
